WAYS TO WORK WITH US

One partner. Four ways to grow your business.

Advertising comes first. A screen is optional, and there is a plan for every budget.

No screen needed

Advertise on our network

Your ads play on screens across our network, in the cities and places you choose.

Best for: reaching new customers fast

Buy a digital screen

Own it outright. We install it and run our software. You keep full control, we manage it.

Best for: full ownership and control

Pay over 12 months

Get a screen without the upfront cost, on a 12-month agreement with clear written terms.

Best for: no large upfront spend

Host a screen free

Give us the space. We install and run the screen, and play your ad across partner locations.

Best for: zero cost, wider reach

Advertise in one city or along a whole route. Screens for your own space are supplied and installed across Delhi NCR, UP and Uttarakhand.

01 Railway stations
Waiting passengers on platforms, every hour.

02 Malls
Shoppers ready to spend, right next to the stores.

03 Public Spaces
Plazas, markets and busy streets with steady footfall.

Also in airports, hospitals, campuses, hotels, offices and showrooms.

HOW IT WORKS

From brief to live screen in five steps.

1. **Share your brief**
   Your business, offer and cities
2. **We design it**
   Our studio makes the ad
3. **You approve**
   Nothing goes live without your OK
4. **It goes live**
   On the screens you chose
5. **We review results**
   Enquiries, scans and visits

Adcobite Control Center
