ADCOBITE

ADCOBITE STUDIO · CONTENT CREATION

# Content that stops the scroll.

Reels, ad films, AI video and mascots, and lyric videos for brands in India and worldwide. Made in India, delivered to you.

- Reels and short-form
- Ad films
- AI video and mascots
- Lyric videos

WHAT WE MAKE

# Four kinds of content. One studio.

One team writes, designs, edits and delivers. The same content can run on your social media and on our screens.

### Reels and short-form

Hooks in the first second. Made for Instagram, YouTube Shorts and screens.

### Ad films and explainers

Explain it once, sell it every time. Script, voiceover and edit, all handled.

### AI video and mascots

A face for your brand that stays the same across every reel, post and screen.

### Lyric and music videos

Lyric videos, visualizers and music videos timed to every beat.

**Keyframes first**

You approve the look before every final render.

**One-off or monthly**

A single film, or a monthly content package.

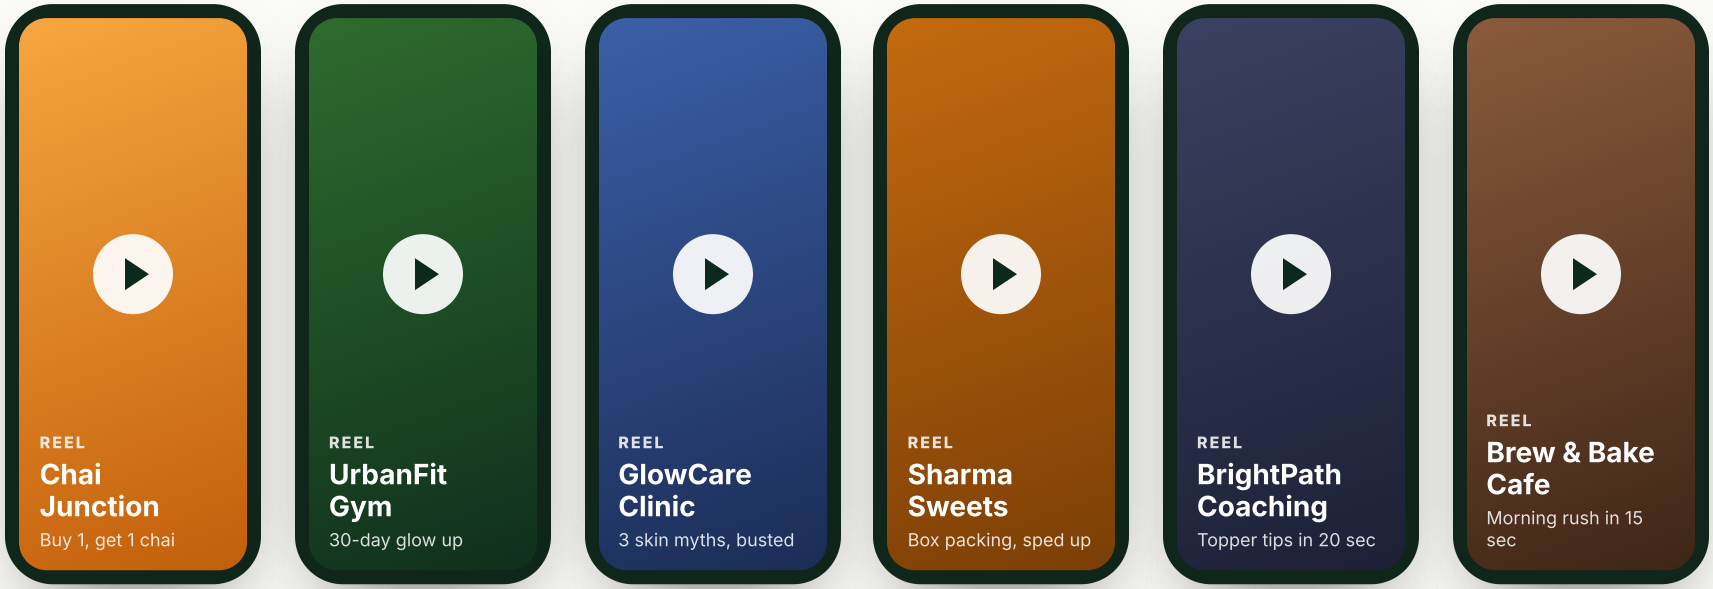

**Ready for every platform**

Vertical, square and wide versions as you need.

REELS AND SHORT-FORM

# Reels that stop the scroll.

Short, punchy videos with a hook in the first second, an offer that is easy to remember and a clear call to action.

Sample concepts made by Adcobite to show our style. Real client work is shared on request.

AD FILMS AND EXPLAINERS

# Explain it once. Sell it every time.

Ad films and explainers that make your offer clear in seconds. Our own 85-second explainer is on adcobiteindia.com.

**Sharma Sweets · Mithaas har mauke ki**
Festive ad film · 30 sec · Sample

**UrbanFit Gym · Your best hour**

Sample concepts made by Adcobite to show our style.

AI VIDEO AND MASCOTS

# A face for your brand. Same every time.

We design your mascot, name it and bring it to life in reels, posts and on screens.

**Meet Bitu**
Our own AI mascot. He stars in every Adcobite reel and answers visitors on our website by chat and voice.

LYRIC AND MUSIC VIDEOS

# Your song, made to be seen.

Send us the track. We send keyframes first, then a video timed to every beat.

Sample concepts made by Adcobite to show our style.

FOR GLOBAL BRANDS

# Your remote content studio in India.

Reels, ads and AI video for brands abroad. Made in India, delivered to you.

USA · Canada · UK · Europe · UAE · Australia

- ✓ Keyframes approved before every final render
- ✓ Monthly content packages
- ✓ Discovery call at a time that suits you

HOW WE WORK

# From idea to ready-to-post in five steps.

1. **Brief**
   Your goal, audience and offer
2. **Script and keyframes**
   The idea, the words, the look
3. **You approve**
   Changes before anything is final
4. **Final render**
   Edit, voiceover and music
5. **Delivered**
   Every size you need, ready to post

### Approvals on WhatsApp

Review keyframes and drafts on your phone.

### Made for screens too

The same content can play on our screen network.

### Clear pricing

A free proposal, agreed before you pay.
